Notes:

- Home team is listed first and sits on the north or west side of field.
- Picture Day: Sunday, Oct. 9th at Nielsen Field.
- All fields are "Kids Zone Fields". These are areas where kids can feel safe and free to be themselves. Let the kids play!
- Respect all parking regulations at field sites. When you park in a no parking zone, you put our program at risk of losing our permit to play at that site.
- We love animals too, but our permits DO NOT ALLOW animals on the fields for any reason. Thank you for understanding!
- Trash: Carry in/Carry out. Please leave the fields in better shape than you find them. Have teams clean up after every game. Again, if we don't take care of site we may lose it.
- Return field equipment and painters to the storage bin after use. Return and stow goals, nets and pegs properly at the end of the day.
- Board members in red or green shirts will be present at all fields. They are there to support and ensure the quality of our program. Feel free to make suggestions or present problems to them.
